

# Women's Retreat

It's so easy to get caught up with the busyness and responsibilities of everyday life. When we find ourselves overwhelmed with everything we are attempting to accomplish, it is so important to remember that our identity is not based on what we do, but on who we are as God's beloved daughters.

A weekend of fellowship with other ladies, great food, fun activities, and practical teaching from God's Word creates a perfect opportunity to be reminded that every day with Jesus is truly sweeter than the day before! If you have any questions please don't hesitate to ask. We hope to see you at Longview soon!
